WHAT MAKES US DIFFERENT

At Gemini Transportation Underwriters, we pride ourselves on our experience, integrity, innovative thinking and quality risk selection. Intertwining these guiding principles into our everyday work, we pledge to offer the best and most reliable excess liability insurance to each of our customers.

Our highly-specialized focus coupled with an innovative program design enables us to deliver superior value to our niche target market. Experienced underwriters adapt quickly to changing market conditions and understand industry trends. We look beyond preliminary facts, thoroughly analyzing each account on a case-by-case basis and making sound risk selections and offering bespoke products to our customers.
